## Claims Policy

Healthy Minds for Healthy Lives-Pediatric Mental Health and Wellness, PLLC providers are dedicated to our patients and providing high quality mental health care for your child(ren). Our focus is on your child's mental health. We are not involved in any legal issues or any type of disability including but not limited to insurance claims, workmans compensation, or disability applications. Please read and agree to the following so that we may provide the best mental health care to your child(ren).

1. Providers will not be put in the middle of an insurance claim or compensation request related to mental health.
2. We will not write letters for patients to support or to be associated with any type of insurance claim, workman's compensation, or disability application.
3. If at any time we feel the above requests are not being upheld or is becoming an issue and compromising patient care, we have the right to discharge the family from our practice.

## Acknowledgement Claims Policy

I acknowledge receipt of the Healthy Minds for Health Lives, PLLC Claims Policy.

By signing this form, you agree to honor the above listed policy and understand that breaking this agreement may result in the discharge of your family from the practice.
